TERMS AND CONDITIONS OF CREDIT (NET 15 DAYS) NOTE: For extended credit terms see personal guaranty form

Applicant requests the creation or the renewal of an open credit account with Brown's Oil Service ("Brown's"). For good and valuable consideration, the receipt and sufficiency of which are acknowledged by Applicant, Applicant agrees to pay any and all past, current and future charges for purchases from Brown's according to the following terms:

Applicant agrees to pay all invoices for future credit purchases in accordance with stated terms and agrees to pay any past due invoices with interest on delinquent invoices at the rate of 1.5% per month. Applicant also agrees to pay all costs of collection, court costs, and attorneys' fees in the event Brown's turns the account over to its attorneys for collection, such attorneys' fees shall conclusively be deemed to be the greater of: (a) the number of hours worked by the attorneys times the reasonable hourly fee of \$285.00, or (b) twenty-five percent (25%) of the principal and interest due on Applicant's delinquent account. Applicant agrees that such attorneys' fees are fair and reasonable and understands and agrees that there is good and valuable consideration for Applicant's agreement to pay such attorneys' fees upon default.

If legal action becomes necessary by either Brown's or the Applicant, it is also agreed that this or any additional or subsequent agreement will be governed as to validity, interpretation, construction, effect, and in all other respects by the laws of the State of Indiana. After consulting or having had the opportunity to consult with counsel, Applicant hereby knowingly, voluntarily and intentionally waives the right to a trial by jury in the event of any dispute of any kind between Brown's and Applicant. Applicant shall not seek to consolidate, by counterclaim or otherwise, any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived. This waiver is absolute and unconditional and cannot be modified in any respect except in a written instrument signed by Brown's and Applicant.

Applicant also hereby expressly, freely and voluntarily agrees that the Courts of the State of Indiana have jurisdiction over Applicant and that any cause of action arising between the parties may be brought in a Court located in Marion County, Indiana. Applicant expressly agrees that Marion County shall be deemed to be a county of preferred venue. Applicant waives any entitlement the Applicant might otherwise have to a transfer of venue out of Marion County under any preferred venue requirements of Indiana Trial Rule 75 or any other venue rules or laws which may be applicable. Applicant further agrees that any line of credit desired or approved is not a limitation of liability and Applicant expressly agrees that it will be responsible for purchases Applicant makes, whether or not such purchases bring Applicant's credit account over its credit limit with Brown's. Whenever possible, each provision of this agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but in the event any provision hereof shall be deemed illegal, the remaining provisions hereof shall not thereby be affected and such illegal provision shall be deleted herefrom.

Having obtained all necessary authority, Applicant authorizes Brown's and its agents, attorneys and employees to investigate the credit standing, financial circumstances and responsibility of the Applicant and all owners, partners, members and officers listed herein, and authorizes and instructs all persons having information concerning Applicant's credit standing, financial circumstances and/or responsibility to release such information to Brown's and its agents, attorneys and/or employees. This includes, without limitation, authorization for Brown's and its agents, attorneys and/or employees to request, obtain and use all for all purposes which Brown's deems necessary a copy of any credit bureau or consumer credit report for the entitles/persons listed herein at any time.

If at the time Applicant executes these Terms and Conditions of Credit ("Terms") Applicant has existing and/or past due charges with Brown's, Applicant agrees that all of these Terms shall apply to said existing and/or past due charges as of the date of execution of these Terms by Applicant. In consideration of Applicant's agreement that these Terms shall apply to all of Applicant's existing and/or past due charges with Brown's, Brown's agrees to forbear from taking legal action to collect said existing and/or past due charges for a period of thirty (30) days from the date of execution of these Terms. Applicant agrees that such forbearance is fair and adequate consideration for Applicant's agreement that Applicant's existing and/or past due charges for past purchases shall be subject to these Terms.

In the event any provision hereof shall be deemed illegal, the remaining provisions hereof shall not thereby be affected and such illegal provision shall be deleted herefrom. These Terms, if found to be ambiguous in whole or in part, shall not be construed against the party who prepared it, but shall be construed in accordance with other applicable rules of construction. Whenever herein the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

Each of the persons who has signed these Terms personally represents and warrants that he or she has been duly authorized to sign these Terms by all necessary action on the part of the entity on whose behalf he or she has signed these Terms. Delivery of an executed copy of these Terms by facsimile transmission or email shall constitute effective and binding execution and delivery thereof and the signatures thereon shall be deemed to be original signatures for all purposes.
